BOY OR GIRL?
NEITHER

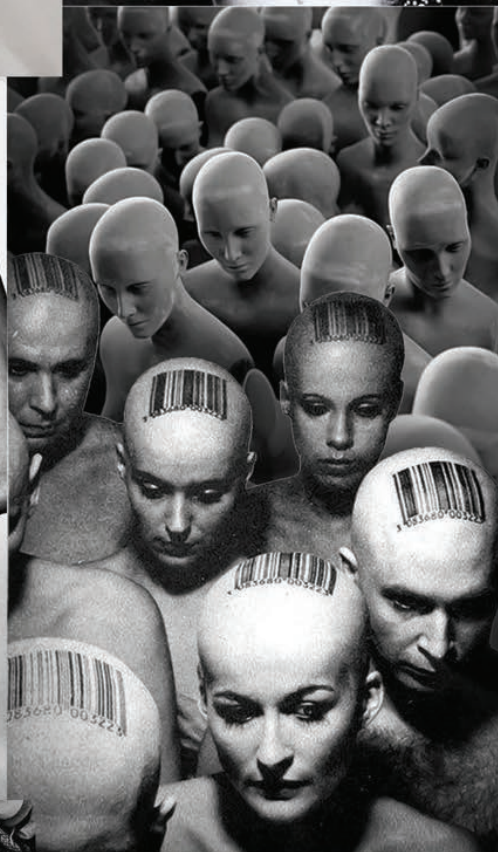

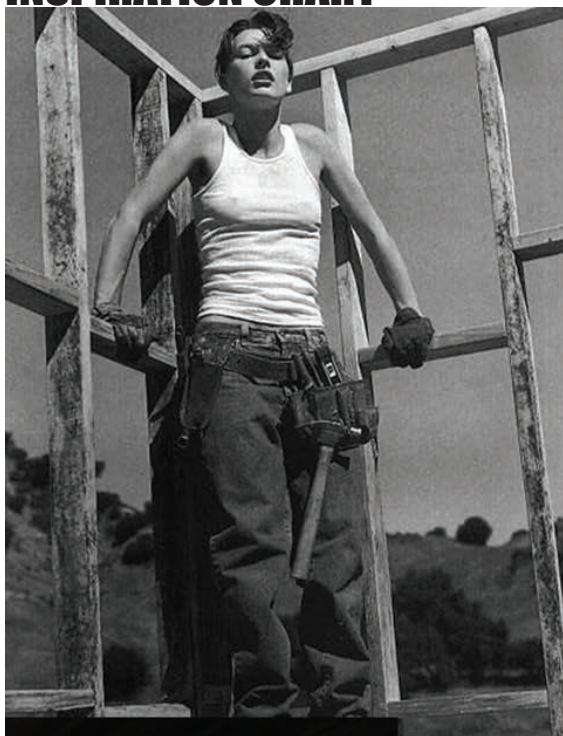

La collezione abbraccia un concetto audace e rivoluzionario che rappresenta un punto di svolta nella moda. Attraverso l'unione di elementi maschili e femminili si crea una serie di capi non binary che celebrano la diversità e l'uguaglianza; ogni pezzo della collezione è stato progettato con cura per sfidare le norme di genere, offrendo tagli, colori e stili che si adattano ad ogni individuo, indipendentemente dalla propria identità.

Materiali di alta qualità e attenzione per i dettagli, distinguono questa collezione per la particolare attenzione alla sostenibilità e all'etica, garantendo che ogni capo sia realizzato nel rispetto dell'ambiente e delle persone coinvolte nella sua realizzazione. I capi, non solo abbracciano la neutralità di genere ma anche l'idea di comfort e versatilità. Ogni pezzo è pensato per essere indossato con fiducia e orgoglio da chiunque desideri esprimere la propria autenticità senza limiti.

In questa collezione ogni individuo è libero di essere se stesso senza compromessi, abbracciando la propria unicità con stile e sicurezza.
